CLASS DESCRIPTIONS

AQUA FITNESS - A cardio & strength training workout in the meter or yard pool. (You may opt to bring your own weights, belt & noodle.)

CARDIO PUMP-A cardio and strength class focusing on strength and conditioning muscle groups of the whole body.

CORE/BALANCE – A non-impact to help improve your core strength, stability, flexibility and overall body balance. **CHAIR**- lower impact for those with limited mobility. A mild class that focuses on balance/core.

SENIOR FITNESS – A low impact class designed for 60 years + focusing on building strength, balance and total body conditioning.

SILVER AND FIT® - A cardio and strength fitness class that is designed around using a chair for balance and support.

TABATA SWEAT – Cardio intervals to help improve strength and conditioning combined with stability and core work help to make this class a great total body workout.

TBC - Total Body Conditioning promotes muscular strength & endurance plus cardio with continuous simultaneous use of the legs and arms with hand weights to enhance overall conditioning.

YOGA - Traditional poses used to increase your flexibility & strength with an emphasis on breath. Aim to strengthen common weak muscle groups while focusing on lengthening tight/overactive muscle groups to reduce pain and improve athletic performance.

SENIOR/CHAIR YOGA- slower flow focusing on posture and stability work w/chairs for assistance. **POST WORK FLOW**-aimed to help your mind and body wind down for the night. **STRENGTH FLOW**-strength, posture, stability and balance are all focuses in this combo class.

ZUMBA/DANCE FITNESS - Fast and slow rhythms are combined to tone and sculpt your body while burning fat with a Latin flavor. **ZUMBA GOLD**-a low-impact Zumba for those w/limited mobility and balance (have option to use chair for added assistance) **MIX**- This class combines body-sculpting exercises and high-energy cardio work infused with Zumba moves to create a calorie-torching, strength-training fitness party 😊
